RE: The 4th Annual Health Research International Conference 2025: AHR-iCON 2025

Dear Director,

I am delighted to inform you that the Faculty of Medicine, Prince of Songkla University will host the *4th Annual Health Research International Conference 2025: AHR-iCON 2025* under the theme "*Shaping the Future: Innovation, Health, and Well-being*" on October 9-10, 2025 at the Research, Innovation, and Medical Technology Transfer Building, Faculty of Medicine, Prince of Songkla University.

The AHR-iCON conference is held annually to serve as an invaluable platform for presenting cutting-edge research in health and clinical sciences. It also aims to foster the exchange of knowledge and the discussion of clinical and research advancements and innovations among academicians, researchers, practitioners, as well as students at both national and international levels.

For the year 2025, the conference aims to strengthen collaborations in research and innovation among institutions and researchers, capitalizing on the strength of networks to generate tangible benefits at the community, national, and global levels. These efforts will contribute to enhancing the quality of clinical services and better addressing societal needs.

In this regard, it is my great honor to cordially invite your personnel to participate in this conference. I would also like to kindly request your permission to allow staff members under your supervision to attend the conference without being considered as taking leave. Participation expenses may be reimbursed from their respective institutions in accordance with your organization's regulations.

We respectfully seek your kind consideration and sincerely hope to receive your positive response on this occasion.

Sincerely yours,

A handwritten signature in blue ink, appearing to read 'Sarunyou Chusri', is written over a horizontal line.

Prof. Sarunyou Chusri, M.D., Ph.D.
Vice Dean for Research and Innovation Affairs
